Proposal: Construction of biological treatment plant and manure (animal husbandry) treatment plant, including site offices / control rooms and circulation roads.

THIS IS A COPY OF THE LETTER SENT TO YOUR ARCHITECT
PLEASE CONSULT YOUR ARCHITECT REGARDING THE ACTION TO BE TAKEN

Submission of IPPC Permit

The above mentioned application for development permission was approved by the MEPA Board on 22 April 2013.

The executable version of this development permission shall not be issued until such time that an IPPC application is submitted to the satisfaction of Environment Protection Directorate.

The requested information should reach MEPA within 30 days of the receipt of this letter. If not settled, a Non Executable permit will be issued. The Non Executable permit shall be valid from publication on the press. Once it is settled, the Executable permit, together with the plans and commencement notice shall then be issued and shall be valid as per issue of the Non Executable permit.

Yours faithfully

Mandy Gatt
MEPA Board Secretariat
