Dear Sir/Madam

Application Number: PA/00022/14
Location: Delimara Power Station, Triq il-Power Station, Marsaxlokk, Malta
Proposal: Construction of jetty and ancillary facilities.

Reference is made to the full development permission, PA 22/14 published on 19 April 2014, subject to a number of reserved matters as per condition 3. Amongst others, the reserved matters include the submission of a Construction Management Plan and of a Works Monitoring Programme.

The Construction Management Plan (PA 022/14/130A) and the Works Monitoring Programme (PA 022/14/128A) were added as supporting documents to the development permission on 2 February 2015 on condition that prior to the commencement of major activities, particularly those related to offshore and onshore civil engineering works; detailed Method Statements shall be submitted for approval by MEPA.

A Works Method Statement for the Off-Shore Casting Procedure - PA 022/14/212A and Addendum PA 00022/14/217A were submitted and are being added as supporting documents to the Construction Management Plan subject to the following conditions:

Condition 1:

All works shall follow the general procedures established in the main CMP - PA 022/14/130A and shall be monitored as per established procedures in the WMP - PA 022/14/128A.

Condition 2:

Drawings included in the Works Method Statement are considered as indicative only and works shall follow the drawings approved in development permission PA 22/14 and any subsequent alterations approved by MEPA.

Condition 3:

The architect/contractor is required to contact Transport Malta and the Harbour Master, before any construction is undertaken to ensure that the works are carried out in conformity with the requirements of the Harbour Master.

This endorsement relates only to the development, planning and environmental matters indicated above. Please note that the conditions in the original development permission remain valid and are therefore applicable to the development including the condition on the validity of the permission.

Yours faithfully

Victor Sladden
for Director of Planning
