 D3发电有限公司 D3 Power Generation Ltd.	Management Systems Procedure	
EMSP 02-01-ERP	Emergency Response Plan	Rev. 1

1. PURPOSE

This Emergency Plan is intended to set up standard procedures in the event of emergencies, allocating responsibilities and the immediate action to be taken in the event of fire, injury, oil or chemical spill, in order to minimise the consequences of any incident. The plan will ensure that all efforts are co-ordinated through one point and to a common aim.

The main aims of this Emergency Plan are:

- Ensuring safety of personnel (plant personnel, public, response personnel)
- Avoiding or minimising damage to third party property
- Avoiding or minimising damage to the environment
- Minimising or avoiding damage to plant
- Minimising or avoiding financial loss
