Subject: Noise monitoring last point @ DPS

Dear David,

We still need to carry out noise monitoring at the 4th and last point at Delimara behind the fuel tanks (near Mintoff's Villa)

AIS asked me if it is possible to carry out monitoring tomorrow starting at 10:00 duration 24hours.

Do you think it would be possible or do you have works scheduled for these 24hours?

Thanks.

Best Regards,

Carmen
