B012 Water Consumption

Year 2007

Process Water EORC	10,500 / 11,800 m ³
--------------------	--------------------------------

House-keeping	350 / 400 m ³
---------------	--------------------------

This is measured on 192 working days of 8 hours.

In a calendar year our company manufactures only on 192 working days, since 30 days are dedicated to maintenance and others are week-ends and leave.
