**Subject:** RE: Wasteserv - Leachate Results - 2018

Dear Stefan,

Thanks.  
I am noting that under 'Method', the wording 'Sub-contracted'.  
Can you let us know which methods were used?  
Are these according to EN standards?

Thanks & regards,

Morgan

**Subject:** Wasteserv - Leachate Results

**Importance:** High

Good morning Mr. Spiteri,

In light of recent organisational changes at Wasteserv, you are requested to send the leachate analysis (for the different sludge / grit / screens generated at your plants) to Ing. Ryan Cachia (in copy).

Kindly send us results for the last year (2018) as soon as possible.

Thanks & regards,

Morgan
