Proposal: Application for the renewal of the IPPC permit for the operation of the Marsa Power Station submitted by Enemalta plc.

Decision Notice for the Determination of Application

Dear Eng. Fava,

Reference is made to the above-mentioned Integrated Pollution Prevention & Control Permit renewal application and the ERA Board determination of the said application.

In the sitting of 27 March 2026, the ERA Board considered the application favourably for a period of 10 (ten) years subject to the fulfilment of the following conditions as post-decision requirements prior to the granting of the permit:

1. Submission of a bank guarantee of €13,000
2. Settlement of Annual Fee for 2026 amounting to €807.75

The post-decision requirements are to be fulfilled at the earliest and not later than six months from the date of this letter. The applicant is to inform ERA upon completion of these conditions so as to proceed with granting of said permit. Non-fulfilment of these conditions shall result in the dismissal of the decision. This letter shall not be construed as a permit to undertake any activity on site.

You may appeal from this decision before the Environment and Planning Review Tribunal within 30 days from the issue of this letter in terms of Article 63 of the Environment Protection Act.

Regards,

Ms Lorna Farrugia
ERA Board Secretary
