STERLING CHEMICAL MALTA Ltd., At, Factory HF 51, Qasam Industrijali, Hal Far, Birżebbuġa. specialises in production, research and development and marketing Active Pharmaceutical Ingredients (APIs). The Company is committed to protecting the environment of the Earth.

The Company is committed to protecting the environment of the Earth.

To minimize environmental impacts concerning our activities, products and services, we shall:-

- Comply with applicable legal requirements and other requirements to which the Company subscribes which relate to its environmental aspects.
- Prevent pollution, reduce waste and minimise the consumption of resources.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner.
- Encourage environmental protection among suppliers and subcontractors.

The Company is committed to continual improvement of environmental performance.

This Policy will be communicated to all staff, contractors and suppliers, and be available for the public.

Top Management is responsible for the implementation and dissemination of the Environmental Management System and instructs his representative to the development, maintenance and monitoring this system.

The Directorate is committed to periodically re-evaluate this Policy and Environmental Management System to keep them always appropriate to business.
