Integrated Pollution Prevention and Control Permit IP 0002/08/D – Waste Oils Company Ltd.

Dear Dr Zammit German,

Reference is made to the Integrated Pollution Prevention and Control (IPPC) Permit issued to Waste Oils Company Ltd. for the operation of the installation at Spencer Hill, Marsa for which validity was extended until 24th February 2025.

In the sitting of 7th February 2024, the ERA Board granted an extension of one (1) year (commencing from 24th February 2025) until the renewal and variation application is processed and the Regulatory Affairs Directorate recommends a decision to the Board.

The conditions of IP 0002/08/D shall subsist until 24th February 2026 or until the pending renewal and variation is determined, whichever comes first.

You may appeal from this decision before the Environment and Planning Review Tribunal within 30 days from the issue of this letter in terms of Article 63 of the Environment Protection Act.
