 Marsaskala. MSK 4614

24 October 2018

Our Ref: IP 0005/13/A  
 : EPD/A/NE/18/804

Application Number: IP 0005/13  
 Application Type: Integrated Pollution Prevention and Control Permit  
 Approved Documents: Document IP 0005/13/A

Location: Sant Antnin Waste Treatment Plant, Marsaskala  
 Proposal: Operation of a mechanical treatment plant with anaerobic digester (MTP/AD) involving biological treatment for recovery of non-hazardous waste with a capacity exceeding 75 tonnes per day

Dear Mr Montebello,

Reference is made to WasteServ's email dated 19 October 2018, requesting amendments to the operational hours stipulated in condition 2.2.1 of the IPPC permit (IP0005/13) for the Sant Antin Waste Treatment Plant.

You are hereby being notified that ERA is granting the request for a variation in the operating hours. Thus, the hours stipulated in table 2.2.1 of the current IPPC permit shall be replaced with the following operational hours:

Table 2.2.1: Permitted operating hours	
Specified waste management operations	Permitted hours
MRF/ Dry MTP (under normal circumstances)	Monday 06:30hrs – 23:00hrs
Monday to Sunday	Tuesday to Sunday 06:30hrs – 22:30hrs
MRF/ Dry MTP (during emergency situations)	Monday to Sunday
Monday to Sunday	24hrs
Wet MTP/ AD plant	Monday to Sunday
	24hrs
Loading of recyclables into containers for export	Monday to Saturday
	07:00hrs – 18:00hrs

Table 2.2.1: Permitted operating hours	
Specified waste management operations	Permitted hours
Maintenance and cleaning (under normal circumstances)	Monday to Sunday 22:30hrs – 06:30hrs
Waste Acceptance	Monday 06:30hrs - 23:00hrs  Tuesday to Friday 06:30hrs – 22:30hrs  Saturday 07:00hrs – 19:00hrs

Kindly note that any further deviations from these operating hours will require prior notification and approval by the Authority.

Please be guided accordingly.

Regards

Perit Michelle Piccinino  
Director Environment & Resources
