## 1 PURPOSE

The procedure documents the method by which the waste is handled once it is received at the landfill.

## 2 SCOPE

This procedure concerns the non-hazardous engineered landfills located within the ECOHIVE Complex.

## 3 REFERENCE DOCUMENTS

- ADM WA02 Waste Receipt Procedure
- ADM WA03 Waste Inspection Procedure.
- LF RAMS02 Access Control & Unloading of Waste
- LF RAMS03 Waste Compaction & Covering of Material

## 4 RESPONSIBILITIES

The personnel responsible for the procedure are identified in the list below. All responsibilities are clearly defined in Section 5 Method and the relevant flow chart:

- Site Supervisor
- Tip Face Controller
- Traffic Controller
- Inspector
- Heavy Plant Driver

## 5 METHOD

The attached flow chart offers further guidance to the process.

## 6 RECORDS

No environmental records are applicable to this procedure.
