

SF 01  
(Main unit)

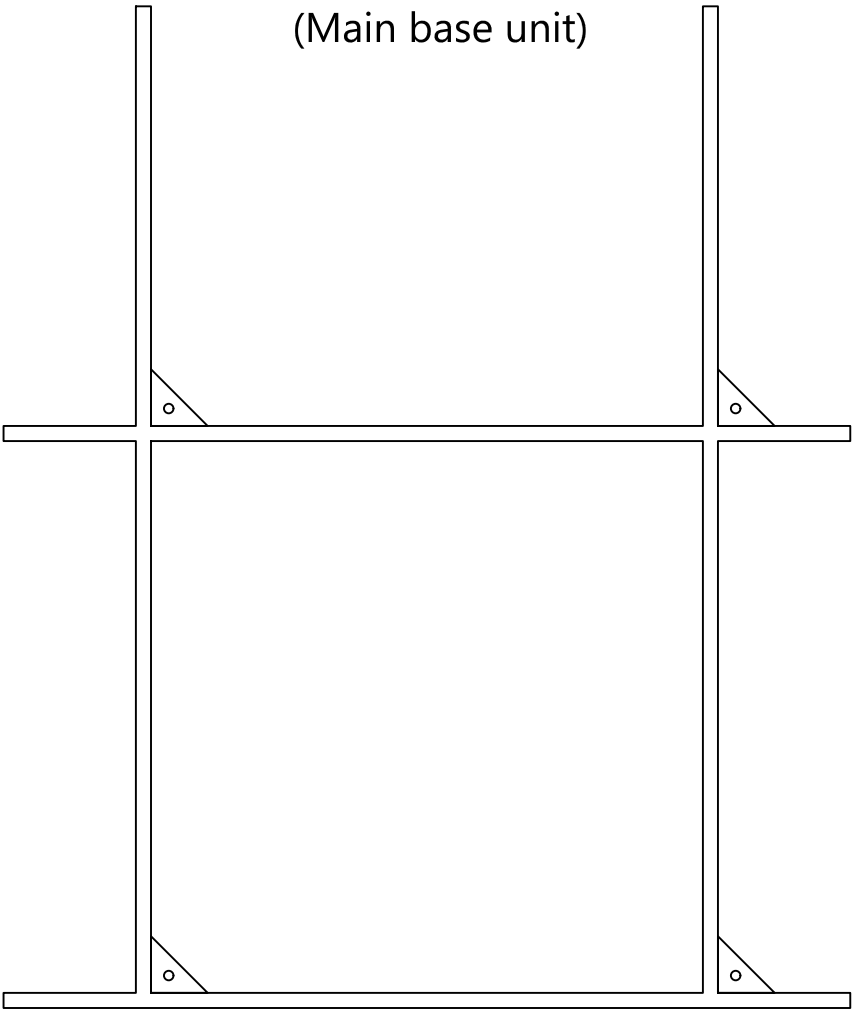

SF 02  
(Sub unit 1)

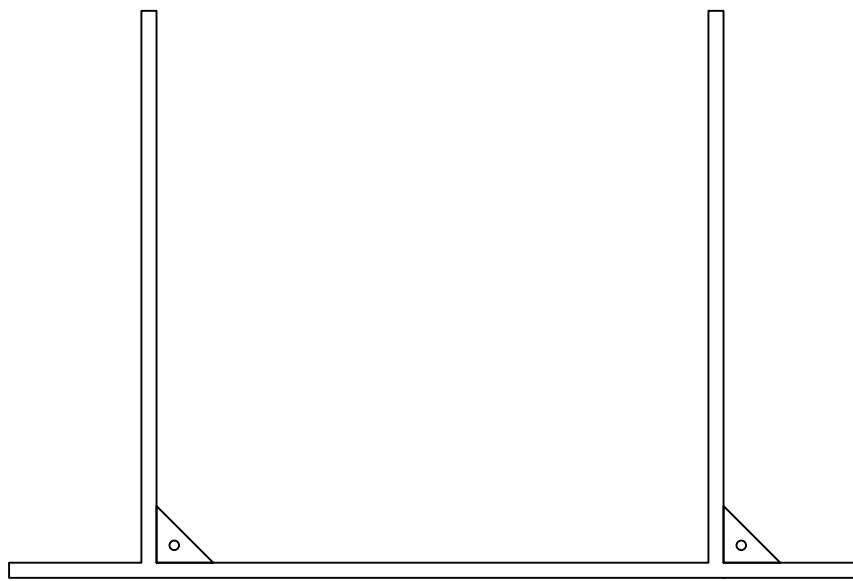

SF 03  
(Sub unit 2)

SF 04  
(Main base unit)

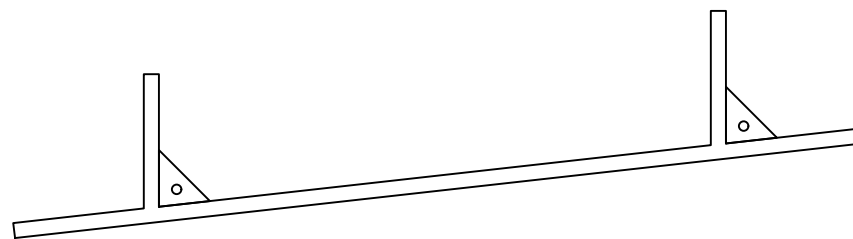

SF 05  
(Sub base unit 4)

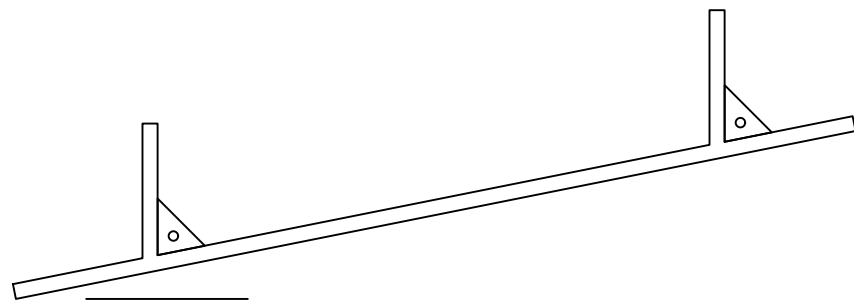

SF 06  
(Sub base unit 1, horizontal)

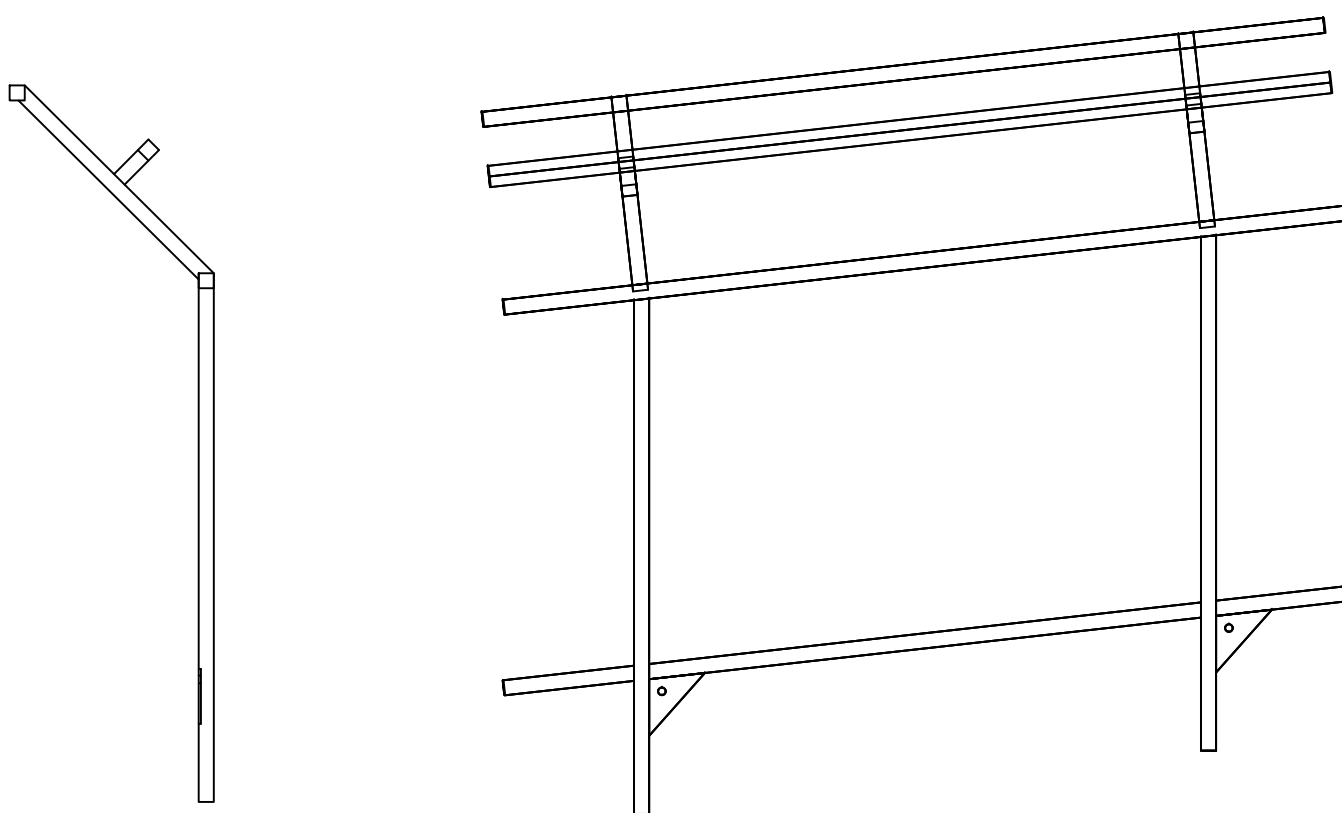

SF 07  
(Sub base unit 2, angled)

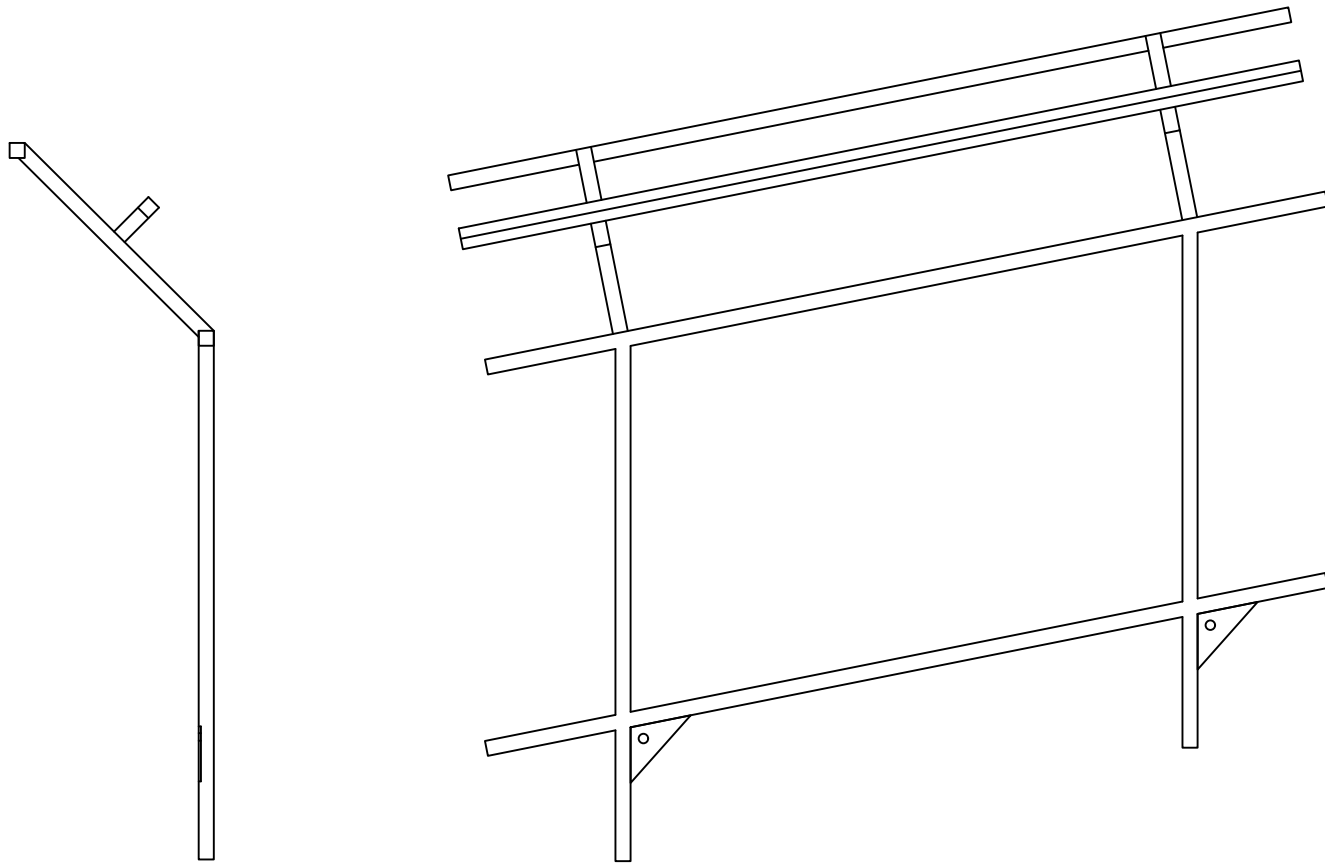

SF 08  
(Sub base unit 3 angled for access ramp to southern bench)

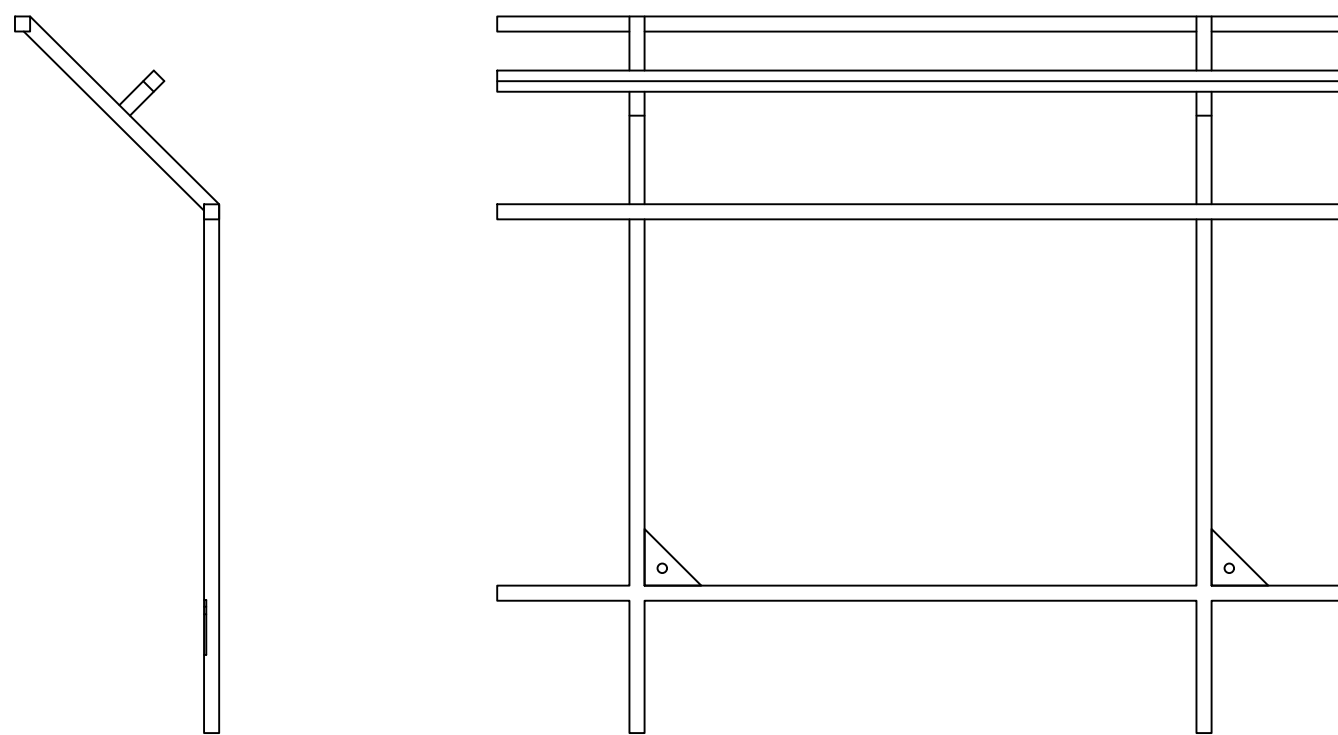

SF 09  
(Top unit 1 for access ramp)

SF 10  
(Top unit 2 for access ramp to southern bench)

SF 11  
(Top unit 3 for southern bench)

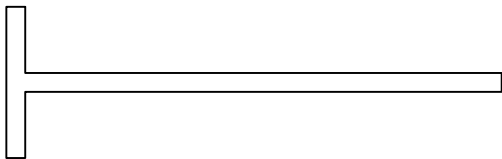

SF 19  
(Connecting bracket, support frame top)

SF 20  
(Top rail, support frame top)

SF 12  
(T connector)

SF 13  
(Horizontal connector)

SF 14  
(Vertical connector)

SF 15  
(Horizontal bar, sloping units)

SF 16  
(Horizontal bar, sloping units)

SF 17  
(Vertical bar, sloping units)

SF 18  
(Connecting bracket, sloping units)

This design is subject to final approval.

Drawings should be read in conjunction with the conceptual design statement report which presents full and detailed specifications.

See drawing 30499/WSM/SW/17 for construction detail of SF 01, 13 & 14

See drawing 30499/WSM/SW/19 for construction detail of SF 02, 03, 04, 06, 07 & 12

See drawing 30499/WSM/SW/20 for construction detail of SF 09

See drawing 30499/WSM/SW/22 for construction detail of SF 05, 08, 10 & 11

See drawing 30499/WSM/SW/24 for construction detail of SF 15, 16, 17 & 18

See drawing 30499/WSM/SW/25 for construction detail of SF 19 & 20

Some units will need to adapted for site conditions
