Dear Perit Piccinino,

Subject: IPPC permit Renewal application - Marsa Power Station– IP0003/07/C

Reference is being made to Enemalta's IPPC permit for Marsa IP0003/07/C which permit issued by ERA has been granted till the 25th August 2021. In compliance with the Industrial Emissions (IPPC) Regulations S.L. 549.77, I the undersigned as the applicant on behalf of Enemalta plc, am submitting for ERA's consideration an application for the renewal of this permit for a further term.

Renewal application document for MPS IPPC permit is being submitted together with this letter requesting changes/corrections to the current permit to reflect the actual operating conditions at Marsa Power Station especially after the decommissioning and dismantling of the Marsa steam turbines and HFO fuel tanks.

We trust that you find our application in compliance with your requirements and await your further instructions.

Yours Sincerely,

Ing Jason Vella
CEO
Enemalta plc
