

## **L-Inħawi tax-Xlendi u tal-Wied tal-Kantra & Rđumijiet ta' Ghawdex: Id-Dawra tas-Sanap sa tal-Ħajt (SAC & SPA)**

- Protected birds particularly cliff-breeding species flourish
- Good site's water quality and sufficient supply to nurture water-dependent ecology
- Agriculture in harmony with surroundings and without negatively affecting ecology
- Rural tourism and outdoor recreation respect site's conservation needs
