

**Form IPPC Part E – Application for a Surrender**

**For ERA use only**

**Application reference:**

Use this part of the form if you are applying to surrender all or part(s) of your permit. Please read carefully Appendix I attached with this application.

**E1 Parts of the site you want to surrender**

Please fill in the installation table below with details of all the current activities and operators at the whole installation (even if your existing permit is in respect of only part of the installation) and the activities, which you have ceased or intend to cease operating.

- have a technical connection with the activities in the stationary technical unit,
- could have an effect on pollution.

In **Column 1, Activities in the “stationary technical unit”** please identify all activities listed in Schedule 1 to the Industrial Emissions (IPPC) Regulations that are carried out in the “stationary technical unit” of the installation (or were carried out if they have already ceased operating).

In **Column 2: Annex I references**, write the category the installation falls under in Schedule 1 of the Industrial Emissions (IPPC) Regulations (LN 10 of 2013), e.g. 1.1, 5.3(b)(i).

In **column 3: Current operator** write the name of the operator for each activity (if you are the operator yourself, write ‘Applicant’).

For **Directly associated activities** please identify any directly associated activities that are (or were) carried out on the same site which:

In **column 4: Activities to be surrendered** please tick the activities, which you have ceased or intend to cease operating.

**E1.1 Installation table for surrendered activities**

COLUMN 1 Activities in the “stationary technical unit”	COLUMN 2 Schedule 1 references	COLUMN 3 Current operator	COLUMN 4 Activities to be surrendered (please tick)
<div style="border: 1px solid black; padding: 5px; min-height: 100px;">                     Combustion installations with a rated thermal input exceeding 50 MW (All units except OCGT 9)                 </div>	<div style="border: 1px solid black; padding: 5px; min-height: 100px;">                     Section 1.1: Combustion installations with a rated thermal input exceeding 50 MW                 </div>	<div style="border: 1px solid black; padding: 5px; min-height: 100px;">                     Applicant                 </div>	<div style="border: 1px solid black; padding: 5px; min-height: 100px;">                     X                 </div>

<b>E2 For partial surrender</b>	<b>E4 What to do next</b>
---------------------------------	---------------------------

**E2.1** Is this a proposed 'partial surrender'?

Please read Appendix I, then prepare and sign a covering letter to attach to your application form.

No  please go to question E3

Yes  please supply a map or plan identifying the part(s) of the installation(s) to which this surrender application relates.

Document reference number for the map or plan

MPS Demolition site in August a-  
Layout2\_1705

**E2.2** Do you think any variations in the permit conditions are required to take account of the partial surrender?

No  please go to question E3

Yes  please provide a written explanation

Document reference number for the explanation

20170630\_Explanatory document

**E3 Information on the site**

**E3.1** Please provide a site report which describes the condition of the site of the installation, or the part(s) of the installation(s) to which this surrender application relates.

Document reference number for the site report

- IP 0003\_07\_B - MPS IPPC Permit
- RP083011 RVA300 MPS Full Decommissioning Plan 001
- MPS Demolition material for Milestones\_1705
- MPS Demolition site in August a-Layout2\_1705

**E3.2** Have any steps been taken on the site (or the part of the site to be surrendered) to avoid any pollution risk or to return the site (or part of it) to a satisfactory state?

No

Yes  please supply a description of the steps

taken

*Document reference number for the description*

The following documents have been prepared to describe the mitigation measures that will be implemented to avoid pollution risk and return the site to a satisfactory state:

- MS-20160726 - TANK 05 - R01
- MS-20160726 - TANK 04 - R01
- MS-20160726 - TANK 03 - R01

APPENDIX I  
Data Protection **CLAUSE**

In terms of the Data Protection Act (Chapter 440 of the Laws of Malta), we will process any personal and/ or sensitive data supplied on/ in this submission or subsequently supplied by yourself, whether orally or in writing, for all or any of the following purposes:

1. The proper processing of your submission;
2. internal management, research and statistics;
3. the protection and promotion of our legitimate interests and the proper conduct of our obligations arising under any law or statutory instrument; and
4. to make public the necessary information as specified in the relevant law and/or instrument.

Relevant data will be disclosed or shared as appropriate with all our employees and with other third parties if pertinent to any of the purposes listed above.

You have the right to require that we provide you with access to your **personal data** as well as the right to rectify, or, in appropriate circumstances, erase/edit any inaccurate, incomplete or immaterial personal data which is being processed. However, you are required to inform us immediately of any alterations relating to your personal data which we are processing.

By sending your submission, you confirm that you are giving your explicit consent, in terms of the Data Protection Act, on behalf of yourself and all the other persons specified in this submission for the Authority to

process your respective personal information as outlined above and you confirm that you have brought this Data Protection notice to the attention of these other persons and obtained their respective consents.

We undertake to implement appropriate measures and safeguards for the purpose of protecting the confidentiality, integrity and availability of all personal data processed.
