

9<sup>th</sup> February 2015

Mr. Michael Sant  
Environmental Permitting and Industry Unit,  
Malta Environment and Planning Authority  
St. Francis Ravelin  
Floriana

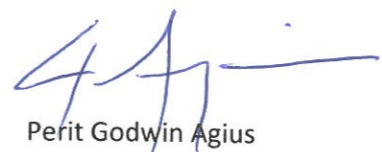

Dear Mr. Sant,

**Re: First variation to the MPS IPPC permit**

The first MPS IPPC variation shall incorporate the Dismantling and Demolition of 2 Chimneys (namely Chimneys 1 and 3), 3 Tanks (namely Tanks 1, 2 and 6) and 2 Tower Structures as per MPS IPPC Partial Surrender application submitted to MEPA on the 22<sup>nd</sup> December 2014. This variation shall also be covered by DN 1655/14. Enclosed to this letter, please find the latest drawings related to the works which will be carried out during this phase.

The remaining tanks, chimneys and bund walls will be dismantled and demolished after the completion of this Development Notification Order and will therefore be covered by the PA permit PA 3349/14 and the MPS IPPC Full Surrender Permit application submitted to MEPA on 5<sup>th</sup> December 2014.

Regards,

Perit Godwin Agius  
Divisional Manager Projects  
Enemalta plc
