Industrial Emissions (Integrated Pollution Prevention and Control) Regulations (S.L. 549.77)

Mr. Montebello,

Reference is made to the Integrated Pollution Prevention and Control (IPPC) Permit issued to WasteServ Malta Ltd. for the operation of the installation at Thermal Treatment Facility at Triq il-Biccerija, Marsa (IP 0004/07/B) which was determined on 18th February 2016, issued on 1st April 2016 and which expired on 1st April 2018.

Following your request for extension of the said permit on 27th July 2018, ERA Board is granting an extension of 18 months (from the date of this letter) until the renewal application is processed and the Environment Resources Directorate recommends a decision to the Board.

The conditions in IP0004/07/B shall subsist until 29th May 2021 **or until such time the pending renewal is determined, whichever comes first.**

Any aggrieved person may appeal from this decision before the Environment and Planning Review Tribunal within 30 days from the issue of this letter in terms of Article 63 of the Environment Protection Act.

Prof Victor Axiak
Chairman
Environment and Resources Authority
