## Conditions

### Introductory Note

The permit is granted in accordance with the provisions of the Environment Protection Act and Regulation 18(2) of the Flora, Fauna and Natural Habitats Protection Regulations, 2006 (S.L. 549.44), hereinafter referred to as the Regulations, for the purpose of the activities that shall be carried out within the Special Area of Conservation (SAC) and Special Protection Area (SPA) of Filfla u l-Gżejjer ta' Madwarha (MT0000016); Żona fil-Baħar fl-inħawi ta' Għar Lapsi u ta' Filfla (MT0000102) and Il-Baħar tal-Lbiċ (MT0000111).

This permit is also granted in line with Conservation Order for Filfla u l-Gżejjer ta' Madwarha G.N.1377 of 2016.

The activity shall, subject to the conditions of this Permit, be managed, controlled and carried out as described in the NP Application, approved documents, and/or as otherwise previously agreed in writing by the Authority.

### Status Log

Detail	Date
<i>Application NP</i>	03/07/2020
<i>Permit Issued</i>	27/ 08/2020

### Pre-Commencement of activities/ work

1. The Permit Holder shall advise of the dates of works at least seven (7) days prior to the commencement on [ced.nature@era.org.mt](mailto:ced.nature@era.org.mt). In the case of change of date, the permit holder is to inform ERA of such a change at least two (2) days in advance. In the case of short-term cancellation of the activity (especially outside office hours), the Authority should be contacted on 9921 0404.

### Permitted Activities

2. The Permit Holder is authorised to carry out the activities and the associated activities specified in Table 1

Activity	Description of specified activity	Limits of specified activity
Educational boat trips around the island of Filfla	As described in NP0309/20/8A	(i) Boat trips for approximately 100 people on 29/08/2020; (ii) Leaving Sliema at 0900hrs and returning at 1800hrs.

### Site

3. The activities authorised under condition 2 shall be affected in the location as marked on the approved site plan NP0309/20/1E.

### Conditions of Activity/Work

4. Activities are to be held according to the approved Project Description Statement NP0309/20/8A.
5. The permit holder shall ensure that disturbance of any specimen of any species is kept to a minimum. It is the responsibility of the permit holder to ensure that no harm is caused to the environment either intentionally or accidentally. Attention must also be afforded to the whole of the environment of the SAC in view of the protection status of SAC.
6. Care must be taken to minimize and prevent any risk of injury and disturbance to marine fauna during the boat tours. For this purpose, the ACCOBAMS general guidelines that can be accessed through [http://www.accobams.org/new\\_accobams/wp-content/uploads/2016/06/ACCOBAMS\\_MOP4\\_Res.4.17.pdf](http://www.accobams.org/new_accobams/wp-content/uploads/2016/06/ACCOBAMS_MOP4_Res.4.17.pdf) shall be followed.
7. No access and/or any other activity whatsoever is to be allowed on the Filfla Nature Reserve as defined through the Filfla Nature Reserve Act (Cap323; Act XV of 1988). The boat shall keep a distance of not less than 50m from shore.
8. The provisions of the relevant Notices to Mariners, in particular the following shall be followed:
  - i) Notice to Mariners 473 of 1987; and
  - ii) Notice to Mariners 4 of 2009: Restricted Area between "Ponta tal-Añrax" and "Daħlet ix-Xilep".
9. Fishing activities in the area using strong lights (lampara, etc) are prohibited.
10. No anchoring shall take place unless in the event of an emergency. In that eventuality no anchoring shall take place on *Posidonia oceanica* meadows but only on bare sand.
11. No dumping of any kind of litter overboard is allowed. All waste generated during the boat trips is to be collected and carried back to the main land (Malta) and disposed of accordingly in accordance with the Waste Management (Activity Registration) Regulations 2007 (S.L. 549.45) and the Waste Regulations 2011 (S.L 549.63), including where necessary through the Consignment Permit procedure.

Disposal, discharge or spillage of oil, fuel, paint or other pollutants, or of solid waste, ash or combustibles is strictly prohibited. These shall be collected and disposed of accordingly.

Any spillages of oil or other hazardous material shall receive immediate attention to prevent escape to surface water or land.
12. Any sound employed as part of the event shall:
  - a. not be loud and shall not exceed (70dB);
  - b. be emitted from speakers which shall be situated in a manner to only direct sound towards the inside of the boat; and
  - c. shall be switched off when in the vicinity of the island of Filfla.
13. Lighting towards the island of Filfla and towards the cliffs on the mainland shall be avoided.
14. Flash cameras and other forms of flash lighting directed towards the island of Filfla shall be prohibited.

15. No lighting is allowed to be directed outwards from the vessel between half an hour before sunset until sunrise.
16. Lights, other than lights prescribed in the Convention on the International Regulations for Preventing Collisions at Sea, (COLREGs) have to be switched off and no loud noise, other than sound signals prescribed in the Convention on the International Regulations for Preventing Collisions at Sea, 1972 (COLREGs), from vessels is allowed.

### **General Conditions**

17. The 'Permit Holder', is responsible to ensure that all reasonable precautions are taken so that the activity conforms to the conditions in this Permit and the procedures outlined within the Permit application.
18. The permit holder shall keep in his possession a copy of the Nature Permits at any time during each session involving the use of traps or handling of specimens.
19. The activities covered by this permit are restricted to the Permit Holder, employees and/or volunteers and contracted parties commissioned for such activities/works under his supervision and direction, who shall all be made aware of this Permit and the contents within.
20. The following activities are strictly prohibited:
  - a. the deliberate picking, collection, taking, harming, destroying or damaging deliberately destroying, keeping, transporting, selling, buying exchanging, offering for sale or for exchange, importing or exporting in any way of any specimen of wild flora;
  - b. the deliberate hunting, killing, capturing, taking, harming, disturbance particularly during periods of breeding, rearing, hibernation and migration, destruction and deterioration of breeding sites or resting places, pursuing, taking or attempting to take, deliberately killing or attempting to kill, deliberately destroying, keeping, transporting, selling, buying exchanging, offering for sale or for exchange, importing or exporting any specimen of any specimen of wild fauna;
  - c. generation of excessive noise, including extremely loud music or the use of noisy generators, or light pollution through the use of floodlights;
  - d. disposal, discharge or spillage of oil, fuel, paint or other pollutants, or of solid waste, ash or combustibles;
  - e. lighting of fires.
21. ERA may request updates and/or further information on the activity in question as deemed necessary.
22. The conditions imposed shall be adhered to throughout all the activities. Failure to do so may result in enforcement action and cessation of any related works or activities.
23. ERA may impose other additional rules or conditions, or may amend one or more of the listed rules or conditions, as it deems necessary for the proper conservation of a protected site or area, biodiversity and the environment in general, and to ensure public safety.

24. The Permit Holder may apply for a variation of the Permit and shall seek the Authority's written agreement prior to any operational changes, by sending to the Authority:
  - a. Written notice of the details of the proposed change, including an assessment of its possible effects or risks to the environment from the approved activity;
  - b. Any relevant supporting information;
  - c. Any relevant supporting assessments and drawings, and;
  - d. The proposed implementation date.

Any such change shall only be implemented following the issue of a variation of the permit by the Authority.

25. In accordance with Regulation 46(4) of S.L. 549.44, a brief report with photos of the activities held, including any publications as a result of the activity, is to be provided to ERA by the Permit Holder within one month of the expiry of the permit, and is to be submitted to [nature.permitting@era.org.mt](mailto:nature.permitting@era.org.mt). Information that should be treated as confidential as outlined in Regulation 48(4) of S.L. 549.44 shall be specified.

A template for the report is available at <http://era.org.mt/en/Documents/Activity%20Report%20template.doc>

26. This permit is granted saving third party rights. The Permit holder is not exempt from any other legislation or regulations, codes of practice, conditions or requirements imposed by any other competent authorities, including the obtaining of permits, licenses, or clearances including from site owners.
27. Any accidental handling, capture or collection of specimens or part thereof, whether dead or alive, of species listed within Schedule V and VI, and endemic species not listed in Schedule X of the Flora, Fauna and Natural Habitats Protection Regulations (S.L. 549.44) shall be reported on [nature.permitting@era.org.mt](mailto:nature.permitting@era.org.mt) within seven (7) days of sampling of the specimen provided that the permit holder may only keep such specimen or part thereof for scientific research purposes. The Authority may request additional information from the permit holder, including but not limited to, an application for authorisation for the keeping of such specimens or samples.
28. The Authority may suspend or revoke this Environmental Permit in line with the provisions of CAP 549.
29. The Permit Holder shall notify the following matters to the Authority in writing at least 10 working days prior to their occurrence:
  - a. Any change in the Permit Holder's trading name, registered name or registered office address;
  - b. Any change to particulars of the Permit Holder's corporate identity.
30. Upon the joint application of a Permit Holder and a proposed transferee, the Permit Holder may request to transfer an environment permit. The permit shall not be transferred from the Permit Holder without prior approval from the Authority. Upon the Authority's decision to transfer the permit to the transferee, all rights, obligations, liabilities shall subsist onto the transferee.
31. In accordance with Regulation 47 of S.L. 549.44, details of the Permit Holder together with the details of conditions imposed in this Permit shall be maintained by the Authority in a register available for public inspection or maintained in electronic form.
32. The Authority may carry out regular pre-set or unannounced compliance or monitoring checks that vary in frequency according to the site's compliance with the permit conditions and safeguarding of natural assets. Any checks or audits carried out by the Authority may be made at the Permit Holder's financial expense at rate and arrangement communicated by ERA's Compliance and Enforcement Directorate. ERA may also appoint other on-site monitors at the expense of the Permit Holder to act as an on-site liaison between the Permit Holder and ERA if the case arises.

33. The Authority's representatives may inspect and photograph any part of the site/ activity and ask for any closed or locked areas to be opened and may demand to be provided with any proof, documentation, plans, receipts or any other records.
34. This Permit including any Variation Notices or amendments to it shall be made available for any inspection by ERA officials at all times, or any legally recognised compliance and enforcement officials, when requested.
35. Whenever there is a conflict between the conditions of this Permit and approved documents, the conditions of the Permit shall prevail.
36. ERA shall not be held liable for any accidents or injuries which may occur during the activities being permitted through this Permit. It is the responsibility of the Permit Holder to ensure that all safety measures are taken.
37. This permit is without prejudice to any liability of the Permit Holder under the Act and to any punitive measures the Authority may wish to take with respect to works already carried out without permit.
38. The validity of this permit is for the activity to take place on the **29<sup>th</sup> August 2020**. The Permit Holder may apply for a renewal to this Permit expressing his/her intention at least four (4) weeks prior to the expiry of this permit. Request for renewals shall only be considered upon confirmation of compliance with Permit conditions and fulfilment of documentation as requested by this Permit.
39. Any aggrieved party may appeal from this decision to the Environment and Planning Review Tribunal in accordance with Article 63 of the Environment Protection Act and with the provisions of the Environment and Planning Review Tribunal Act.

NP0309/20/1E

**Educational trip around Filfla**

**22<sup>nd</sup> August 2020 and 29<sup>th</sup> August 2020**

**Following yesterday's telephone conversation held on Monday, 27<sup>th</sup> July 2020, we would like to include another education trip to Filfla scheduled on Saturday, 29<sup>th</sup> August 2020.**

From Sliema Ferries we will head south, passing by the southern coast and then make our way towards Filfla. Prof. Alan Deidun and Mr Arnold Sciberras will give information about the ecological aspects of Filfla and the marine environment around the islet. After going around the islet, we will then stop off Għar Lapsi for swimming and then back to Sliema harbour.

We will be leaving Sliema harbour at 9am, returning at 6pm. We are expecting a group of around 100 people.
