Clearance in Terms of the *Environmental Permitting (Procedure for Applications and their Determination) Regulations*

Dear Dr Basile,

Reference is made to regulation 35 of the *Environmental Permitting (Procedure for Applications and their Determination) Regulations* (S.L. 549.172), in which permitted operations within the scope of Schedule 2 are deemed to be authorised.

In this regard, your operation has been covered by an environmental permit before the entry into force of these regulations, hence, the validity of the permit that covers your operation is hereby being extended until **25th August 2029**.

This extension is subject to the following conditions and shall supersede any conditions on the same matter in the permit that may regulate the same aspect:

- **A renewal application is submitted by February 2029.**

All other conditions in the above quoted permit shall subsist.
