## Create an account

Thank you for registering, you will receive an email allowing you to complete the registration process.

# Once the request is sent, you will receive an automatic email with a link allowing you to set your password. See example below:

Dear Name Surname,

You have been registered in EU Login.

Your email address is [email.example@gmail.com](mailto:email.example@gmail.com).

To create your password, follow the link below:

[this link](#)

You have a maximum of 24 hr, starting from the time that this message was sent, to create your password, but you are encouraged to do so immediately if possible. After this time, you can make another request by following the same link: you will then need to re-enter your username and confirm your request.

If the above link does not work, you can copy the following address (make sure the complete address is copied!) and paste it into your browser's address bar:

You are on environment: **CoP Acceptance alpha** 

CoP Acceptance **alpha** environment hosts the next release of TNT, to ensure everything works as expected before going to Production.

All data (certificates, operators, translations, classification tree,...) introduced here might be lost regularly, as the database is regularly refreshed from Production.

Expect relatively small downtimes.
