Application for the renewal of IPPC Permit 00001/09A

Dear Mr O'Neil,

We refer to the above subject in caption and wish to formally put forward our application for renewal of permit. Since the original permit was issued no changes have been carried out to plant and machinery and work procedures. As had been discussed in our original application we have since been awarded ISO 14000 by British Standards.

Enclosed please find other relevant documents that were requested through your mail of the 11<sup>th</sup> March 2016.

We trust that all your requirements have now been meet and we look forward to your approval.

A handwritten signature in blue ink, appearing to read 'Victor Fenech', is written over the text of the letter.

Kind Regards

Victor Fenech
