

██████████
Senior Manager
Strategy and Implementation Division

5th October 2021

Dear ██████████

Subject: SEA Screening and SEA Scoping of the AMIF and BMVI Operational Programmes 2021-2027, Malta (September 2021)

Reference is made to the EMDP's consultation on the SEA screening and SEA scoping for the Asylum, Migration and Integration Fund (AMIF) Programme and the Border Management and Visa Instrument (BMVI) Programme, dated September 2021, which the Environment and Resources Authority (ERA) received by email on 24th September, 2021.

I am enclosing ERA's comments on the proposed measures to the AMIF and BMVI Operational Programmes, with the intention of ensuring that implementation of these programmes avoids major environmental impacts.

Yours sincerely,

Perit Michelle Piccinino
Chief Executive Officer
Environment and Resources Authority
