

## ENVIRONMENT PROTECTION ACT

(CAP. 549)

### Beverage Containers Recycling (Amendment) Regulations, 2021

IN EXERCISE of the powers conferred by Articles 54 and 55 of the Environment Protection Act, the Minister for the Environment, Climate Change and Planning, after consultation with the Environment and Resources Authority, has made the following regulations:-

**Citation.**

S.L. 549.134.

1. The title of these regulations is the Beverage Containers Recycling (Amendment) Regulations, 2021, and these regulations shall be read and construed as one with the Beverage Containers Recycling Regulations, hereinafter referred to as “the principal regulations”.

**Amends regulation 1 of the principal regulations.**

2. Sub-regulation (3) of regulation 1 of the principal regulations shall be replaced by the following new sub-regulation:

“S.L. 549.43.

**S.L. 549.XX**

(3) The purpose of these regulations is to implement the provisions of Directive 94/62/EC of the European Parliament and of the Council of the 20th December 1994 on packaging and packaging waste and Article 8(2) and (4) and Article 9 of Directive (EU) 2019/904 of the European Parliament and of the Council of 5 June 2019 on the reduction of the impact of certain plastic products on the environment and with respect to beverage containers and the provisions of these regulations, the Waste Management (Packaging and Packaging Waste) Regulations and the Single-Use Plastic Framework Regulations shall be applied and interpreted accordingly.”

**Amends regulation 8 of the principal regulations.**

3. Sub-regulation (1) of regulation 8 of the principal regulations shall be amended as follows:
  - (a) In paragraph (j) therein, the words “pursuant to regulation 10; and” shall be substituted by the words “pursuant to regulation 10;”.

- (b) In paragraph (k) therein, the words “the success of the Scheme.” shall be substituted by the words “the success of the Scheme; and”.
- (c) Immediately after paragraph (k) therein, the following new paragraph shall be added:

“S.L. 549.141.

S.L. 549.XX.

S.L. 549.63.

(1) without prejudice to sub-regulation (3) of regulation 6 of the Extended Producer Responsibility Framework Regulations, to cover the following costs for the beverage containers listed in the Second Schedule that are considered to be single-use plastic products within the meaning of regulation 3 of the Single-Use Plastic Framework Regulations, in so far as not already included:

- (i) The costs of the awareness raising measures referred to in regulation 12 of the Single-Use Plastic Framework Regulations;
- (ii) The costs of waste collection as defined in regulation 4 of the Waste Regulations for those products that are discarded in public collection systems, including the infrastructure and its operations, and the subsequent transport and treatment of that waste;
- (iii) The costs of cleaning up litter resulting from those products and the subsequent transport and treatment of that litter:

Provided that the costs to be covered referred to in this paragraph shall not exceed the costs that are necessary to provide the services referred to therein in a cost-efficient way and shall be established in a transparent way between the Agency, the operator and any other actors concerned;

Provided further that the costs of cleaning up litter shall be limited to activities undertaken by public authorities or on their behalf. Such activities shall be subject to prior approval of the Agency. The calculation methodology shall be developed in a way that allows for the costs of cleaning up litter to be established in a proportionate way. To minimise administrative costs, the Minister in consultation with the Authority and the Agency may determine financial contributions towards the costs of cleaning up litter by setting appropriate multiannual fixed amounts.”

**Substitutes the Fifth Schedule of the principal regulations.**

- 4.** The Fifth Schedule of the principal regulations shall be substituted by the following new Schedule:
