**RE: ERA doc. 70a – PA/06976/21**

Dear Mr. De Gabriele and Mr. Saliba,

Reference is made to the application for the development in question and to ERA doc.70a. Please find below the clarification for AADT as requested:

**The Annual Average Daily Traffic (AADT) of Heavy Goods Vehicles (HGVs) during operations is estimated to consist of an average of 18 trips per day. This is calculated on the operations during last year, having a total of 6473 trips per year (trips coming and going from site considered as two trips).**

Trust this information is to your satisfaction. Should there be the need for further clarification regarding the above matters kindly refer to the undersigned.

Kind Re,  
Perit Charlene Vella
