

Holder's/seller's declaration for the transfer of possession to third parties of specimens of Annex B listed species as proof of legal acquisition to satisfy the requirements under Article 8(5) of Council Regulation (EC) No 338/97 and regulation 7 of the Trade in Species of Fauna and Flora Regulations

Part A-Personal details of parties					
Current holder/seller			New holder/buyer		
Name			Name		
Surname			Surname		
ID Card/ Passport Number			ID Card/ Passport Number		
Nationality			Nationality		
Address	Property Number		Address	Property Number	
	Street Name			Street Name	
	Town/City			Town/City	
	Postcode			Postcode	
	Country			Country	

Part B-Specimen Details					
Species	Scientific Name			Quantity of Specimens	
	Common Name (Maltese or English)				
Description (tick as appropriate)		Live <input type="checkbox"/>	Dead <input type="checkbox"/>	Part/Product (please specify) <input type="checkbox"/> Type _____	
Sex (tick as appropriate)		Male <input type="checkbox"/>	Female <input type="checkbox"/>	Unknown <input type="checkbox"/>	Date of birth/hatching/estimated age (when birth/hatch date not known) [D]____/[M]____/[Y]_____
Marking (if available)	Closed Ring Number			Other Features ¹	
	Microchip Number				
	Other Marking ²				
Source	Source Code ³			Country of Origin ⁴	

¹ Eg. Colour morph; race or sub-species; distinguishing physical characteristics

² Eg. split-ring; security seal number; serial number; label etc.

³ Choose source from following table:

W	Specimens taken from the wild
R	Specimens of animals reared in a controlled environment, taken as eggs or juveniles from the wild, where they would otherwise have had a very low probability of surviving into adulthood
C	Animals bred in captivity in accordance with Chapter XIII of Regulation (EC) 865/2006, as well as parts and derivatives thereof
F	Animals born in captivity, but for which the criteria of Chapter XIII of Regulation (EC) No 865/2006 are not met, as well as parts and derivatives thereof
I	Confiscated specimens
O	Pre-Convention specimens
U	Source Unknown (must be justified)
X	Introduction from the sea

⁴ Country where specimen was born/hatched in captivity or retrieved from the wild

Part C-Method of acquisition (tick as appropriate)							
Captive bred within the EU [fill in part D]	<input type="checkbox"/>	Imported [fill in Part E]	<input type="checkbox"/>	Caught from the wild ⁵	<input type="checkbox"/>	Other (please specify) ⁶	<input type="checkbox"/>

Part D-Information to be submitted if specimen is captive-bred								
Details of breeder	Name			Surname				
	ID card/Passport Number			Nationality				
	Address	Property Number		Address of captive-breeding site (if different from residential address)		Property Number		
		Street Name				Street Name		
		Town/City				Town/City		
		Postcode				Postcode		
		Country				Country		
Details of ancestors of the specimen being handed over	Parental Stock of specimen				Parental stock being the offspring of			
					Male	Date of birth/hatching		
	Male	Date of birth/hatching				Marking		
		Marking			Female	Date of birth/hatching		
				marking				
					Male	Date of birth/hatching		
	Female	Date of birth/hatching				marking		
		Marking			Female	Date of birth/hatching		
			marking					

Part E-Information to be submitted if specimen is imported			
Document type (tick as appropriate)	Import ⁷ Permit <input type="checkbox"/>	Export Permit/Re-export Certificate ⁸ <input type="checkbox"/>	Other ⁹ <input type="checkbox"/>
Permit Number			
Date of Issue			
Issuing Authority			

Filling of this form does not imply consent from the Environment and Resources Authority to the transfer of possession or sale of specimens of species included under Annex B of Council Regulation 338/97 or under the Trade in Species of Flora and Fauna Regulations (SL 549.38). It shall always be the responsibility of the holder of any such specimens to: (a) prove to the Authority that such specimens were acquired and, if they originated outside the Community, were introduced into it, in accordance with the legislation in force for the conservation of wild fauna and flora in accordance with Article 8 (5) of Council Regulation 338/97, and (b) retain in his possession and for such time as that specimen remains in his possession, all permits, certificates and licences relative to the import of that specimen in accordance with regulation 7 of S.L. 549.38.

⁵ Please provide all the information regarding the specimen's collection from the wild in accordance with the relevant nature conservation legislation

⁶ Please provide copy of supporting documentation proving legal acquisition eg. Ancestry documents; expert opinions regarding age of pre-convention specimens; sale invoices; inheritance documents; photos; etc.

⁷ Please provide copy of Import Permit issued in accordance with Council Regulation 338/97 or CITES

⁸ Please provide copy of Export Permit or Re-Export Certificate issued in accordance with CITES

⁹ Please provide copy of supporting documentation proving legal acquisition eg. Ancestry documents; pedigrees; expert opinions regarding age of pre-convention specimens; sale invoices; inheritance documents; photos; Import Trade Licence issued in accordance with the Importation Control Regulations; Customs Import declaration issued in accordance with the Customs Ordinance, etc.
