3.1 - DECLARATION BY PERIT – INSTALLATION OF EARTH ELECTRODE

This application must be completed ALL and in a clear and legible manner. Applications that are not completely filled in, or that cannot be read, or that are not filled in properly, or are not using the correct version found on the ERA website, may be delayed or returned.

SECTION A: DETAILS		
Proposed size of borehole diameter in cm		
Location of borehole	Northing:	Easting:
Total proposed depth of borehole in m		
Depth to mean sea level from well head in m		
Backfilling material		
If the borehole or excavation works will touch an underlying blue clay geological formation:		
A. Estimated depth from road level to top of blue clay formation in m		
B. Estimated depth from road level to bottom of blue clay formation in m		

SECTION B: DOCUMENTS TO BE SUBMITTED WITH THIS APPLICATION
<ol style="list-style-type: none"> 1. Site plan: A4 extract from the latest Survey Sheet on a Scale of 1: 2500 and indicating <ol style="list-style-type: none"> a. The site boundaries in red; b. The location of the proposed borehole; c. The positions from which the photographs were taken on the site plan. <p>The site plan shall be signed, dated and certified by the Perit.</p> 2. At least 2 color photographs of the proposed location of borehole taken from different points and which points are to be clearly indicated on all the site plans. These photographs shall be signed, dated and certified by the Perit.

SECTION B: DECLARATION
<p>Declaration</p> <p>I, the undersigned Perit, hereby declare that to the best of my knowledge that the content in this application and on the submitted plans and photos is true, correct and complete.</p> <p>I shall submit a certificate of closure to the ERA once the earth electrode has been installed.</p>
